

CYCLING REGULATIONS

Last Update 13.7.2021

1. Organization

- a. The Cycling committee of the 21st Maccabiah will be responsible for the Cycling races of the 21st Maccabiah.
- b. The Cycling races will be conducted according to the rules of the UCI. (International Cycling Union)
- c. Participation in the races is open to any athlete who is in possession of a Participant card, issued by the Organization committee of the 21st Maccabiah and is registered in the Cycling competition.
- d. Each country may register up to a maximum of eight (8) riders for each of the six (6) age groups for male and three (3) age groups for female in each cycling competition. In the time trial competition, participants in the Maccabiman/woman competition may be added beyond this number, according to the Maccabiman/woman regulations.

2. Official trainings

Official trainings will be held for each competition, pending approval from traffic police for road and time trial competitions. The official trainings are mandatory for all participants. The organization will provide transportation from the hotel, a first aid kit, and a coach who will lead the training session. Riders are responsible for their own water/food for the day. For track cycling, the official training will be held on the day prior to the competition and will include instructions on how to ride safely on the track.

3. Technical Meeting

A technical meeting for all cycling events will be held at a date, time and place to be announced by the organizing committee. A representative from each country will be required to attend. At the meeting organizers will explain the necessary details regarding all races and distribute race numbers and transponders. Numbers and transponders must be returned to the organizers at the end of the last day of cycling competition for each participant.
